A Bm7/A
You could never know what it's like
E/A A
Your blood like winter freezes just like ice
Bm7/A E
And there's a cold lonely light that shines from you
F#m D A
You'll wind up like the wreck you hide behind that mask you use
A Bm7/A
And did you think this fool could never win?
E/A A
Well look at me, I'm coming back again
Bm7/A E
I got a taste of love in a simple way
F#m D A
And if you need to know while I'm still standing you just fade away

Am Em
Don't you know I'm still standing better than I ever did
Dm F G
Looking like a true survivor, feeling like a little kid
Am Em
I'm still standing after all this time
Dm E
Picking up the pieces of my life without you on my mind

Am Dm E
I'm still standing yeah yeah yeah!
Am Dm E F/E G/E
I'm still standing yeah yeah yeah!

A Bm7/A
Once I never could hope to win
E/A A
You starting down the road leaving me again
Bm7/A E
The threats you made were meant to cut me down
F#m D A Bm7/A A
And if our love was just a circus you'd be a clown by now

Am Em
Don't you know I'm still standing better than I ever did
Dm F G
Looking like a true survivor, feeling like a little kid
Am Em
I'm still standing after all this time
