

TÓNHOLT

Is it true?

You say you really know me
not afraid to show me, what is in your eyes.
So tell me about the rumors
are they only rumors? Are they only lies?
Falling out of a perfect dream
coming out of the blue

**Is it true? Is it over?
Did I throw it away?
Was it you? Did you tell me?
you would never leave me this way?**

If you really knew me, couldn't do this to me,
you would be my friend.
One of us is lying, there's no use in trying,
no need to pretend.
Falling out of a perfect dream
coming out of the blue

**Is it true? Is it over?
Did I throw it away?
Was it you? Did you tell me?
you would never leave me this way?**

**Is it true? Is it over?
Did I throw it away?
Was it you? Did you tell me?
You would never leave me this way?**

**Is it real ? Did I dream it ?
Will I wake from this pain ?
Is it true ? Is it over ?
Baby did I throw it away ?**

Is it true?
